

To the Ballot Law Commission
State House, Room 204
107 North Main Street
Concord, NH 03301

BLL-2018-2

This letter to the Ballot Law Commission is to challenge the placement of Tom Alciere on the primary ballot for the Libertarian Party.

I understand that RSA 655:24 states "The oath of a voter upon a primary petition shall be prima facie evidence that he is a member of the party stated therein." However, Mr Alciere had his membership revoked by the Libertarian Party of New Hampshire in 1993, and is not eligible to get membership with the Party.

Additionally during the Executive Committee meeting on June 11, 2018 the LPNH EC unanimously approved the following resolution:

Whereas RSA 655:14 states, "The name of any person shall not be printed upon the ballot of any party for a primary unless he or she is a registered member of that party"; AND

Whereas members of the Libertarian Party sign a pledge certifying they "do not believe in or advocate the initiation of force as a means of achieving political or social goals;" AND

Whereas Tom Alciere has a history of advocating violence against women and killing police officers; AND

Whereas Tom Alciere refused to take a pledge against violence as a means of obtaining political objectives; AND

Whereas the Libertarian Party of New Hampshire revoked and refunded the membership of Tom Alciere in 1993 because of his anti-social views and refusal to sign the Libertarian Pledge; AND

Whereas former LPNH Chair Danielle Donovan said, "[The situation] could have been disastrous had we not had such a strong response. Every opportunity to denounce Alciere was considered successful."; AND

Whereas Tom Alciere has filed to appear on the Libertarian Party primary ballot for US House in District 2;

BE IT THEREFORE RESOLVED, The Libertarian Party of New Hampshire Executive Committee – to the extent possible under the laws, statutes and regulations of NH – disavows, impugns, forswears and repudiates Tom Alciere as a Libertarian candidate.

For the reasons listed above, I request the Ballot Law Commission remove the name Tom Alciere from Libertarian Party's primary ballot in accordance with RSA 655:14 which states, "**The name of any person shall not be printed upon the ballot of any party for a primary unless he or she is a registered member of that party.**" (emphasis added)

Sincerely,

Darryl W. Perry
Former Chair Libertarian Party of New Hampshire
